Adelina Prokop, a qualified Polish advocate, is a partner in the Clifford Chance Warsaw Litigation & Dispute Resolution Department. She focuses on dispute resolution in commercial, financial and international law. In particular, she specialises in investment arbitration. Adelina has vast experience acting for clients in court and arbitration proceedings gained in Clifford Chance's Warsaw and London offices. She acts for foreign investors in international investment arbitration. She has acted in arbitration proceedings in Paris, London, Geneva, Brussels and Warsaw. She represents banks, financial institutions and auditors before the common courts and the Court of Justice of the EU. She has also advised clients from the energy, telecommunications, infrastructure and real estate sectors, as well as in disputes concerning unfair competition and M&A. Clients perceive Adelina as “an outstanding advisor” (Legal 500 EMEA 2024) and appreciate her "excellent client-handling skills." (Chambers Europe 2024). She is also recognised by Who's Who Legal, an international legal directory, as a Future Leader in arbitration proceedings in Poland.
