Alicja Zielińska-Eisen is an Of Counsel at Queritius and an advocate admitted in Poland. She is combining her attorney practice with an academic career as lecturer and Program Coordinator for the International Dispute Resolution LL.M. at Humboldt University of Berlin. She assists clients in preventing and resolving disputes, and acts as litigation and arbitration counsel, as well as an arbitrator, in domestic and international cases. If not in the hearing room, virtually or in person, you can meet her during one of the ICC YAF's projects, which she supports in her role as one of the Regional ICC YAF Representatives for the Europe and Russia Chapter, or at the events organised by the Moot Alumni Association where she acts as an Executive Board Member. Alicja is an avid facilitator of initiatives empowering students and young lawyers.
