Daniel Dózsa is a partner at Queritius. His legal practice focuses on EU regulatory litigation, as well as commercial and investor-state arbitrations. He has participated in dozens of arbitration proceedings conducted under major institutional rules, including under the ICSID, ICC and UNCITRAL rules. Throughout his career, Daniel has worked for international companies around the world including Washington, D.C., London, and Budapest. He is listed in the "Future Leaders of Arbitration" for 2022 by Who's Who Legal and is recommended for international arbitration by The Legal 500 UK. Daniel is a guest lecturer of international dispute resolution at Leiden University, the Netherlands.
